

TERMS OF SERVICE

SOCIALREMIT BLOCKCHAIN NETWORKS LTD

1. User registration

- Only one user registration per person or company will be admitted. The registration of the same person or company with different email or Ethereum accounts is expressly prohibited.
- After the user registration you will receive an email to validate your email account and Ethereum. The validation of this mail does not mean the complete registration of the user.
- Validation of the mail account and Ethereum will assign the maximum number of tokens granted to the registered user account. The tokens will be released to the extent that registered users and their referrals prove their identity.
- The released tokens can be exchanged under the conditions, time and place established in the whitepaper.

SOCIALREMIT BLOCKCHAIN NETWORKS LTD reserves the right to cancel the registration of users who have registered with more than one Ethereum account and / or mail, or do not attend in a timely manner to present proof of identity, address or source of money before the completion of the ICO.

2. AIRDROP. Assigned tokens for users

They will be distributed according to the following criteria:

- Minimum of validated referrals to be able to exchange: 5 tokens.
